Refer to the amendment of 02/13/04 and the declaration dated 02/13/04 for additional information. In addition, it is noted that applicants' declaration and results show unexpected results for the claimed electrode material and the electrochemical cell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
